1	First Things First	3
1.1	Study Permit	3

Add your content using reStructuredText syntax. See the [reStructuredText](#) documentation for details.

FIRST THINGS FIRST

- *Study Permit*

1.1 Study Permit

The Study Permit is almost the most important document during your studies in Canada, it legitimizes your stay in this country. Don't confuse it with your student visa, which is affixed to your passport and lets you into Canada. The Study Permit is an A4-sized document you obtain when entering the country.
